E-311 place unit in service at Station No. 3

Repair and Maintenance:

E-318 repair charge system replace alternator

E-311 upfit accessory equipment, lube chassis and service unit

Screen parts for fleet apparatus

Trustee Roberts questioned mutual aid radio frequency permit renewal. The permit is renewed every five years. Chair Nelson reported seven responses during the wind storm today. Chair Nelson thanked Chief Gieser for the report.

MEMBERSHIP REPORT {21:43} – Jeff Veach, Chair Volunteer Membership provided the report. Jane Clapp, Carol Swope and Matt Dougherty prepared the bulk mailing for the annual appeal letter. The COVID-19 vaccination was available for volunteers in December with half of the department participating. The second vaccination will be available in two weeks. The membership plans to donate for the purchase of the SCBA masks. Jane Clapp is preparing the sign for Station Number 2. The membership has approximately \$20,000 in carry over funds from the previous year. A substantial amount is anticipated for the 2021 appeal. Chair Nelson commented the membership donated \$10,000 for the tender #311f and \$13,000 for the jaws of life. The contributions to the district is very much appreciated. The donations are utilized to improve the equipment and supplies in the district. Public comment: None. Chair Nelson thanked Jeff for the report.

OLD BUSINESS:

MISSOULA RURAL FIRE DISTRICT AERIAL TRUCK {25:27} – Chief Gieser suggested offering Missoula Rural \$15,000 for the aerial truck with an agreed payment schedule. Missoula Rural Fire accepted the offer for \$15,000. The payments will be over a three year period. The board should consider a current payment and remaining two payments paid later. Trustee Wunderlich suggested the expenditure for the aerial truck tabled to the February meeting to analyze financial data. Polson Rural Fire is obligated to insure the aerial truck for training purposes. Furthermore the insurance coverage on Unit #319 will be canceled. Unit #319 will be pulled off the line as a response engine.

ENGINE #319 {26:23} – Chief Gieser reported Bill Wagner at Heiman Fire indicated Twin Bridges fire department has not responded to the potential purchase. The price is negotiable at \$15,000 , although an acceptable offer would be an increase above the \$15,000. Chief Gieser's is anticipating \$15,000 revenue for engine #319 sale and Missoula aerial truck expenditure \$15,000.

NEW BUSINESS:

CARES ACT FUNDS WAGE REIMBURSEMENT {28:03} – Chair Nelson reported Scott Beggs, Lake County Finance notified the district \$29,385 was receipted to Polson Rural Fire District Fund #7245 operating by journal voucher NO A1 was utilized for posting the data. The district revenue fund number is 331999 COVID-19 stimulus revenue. The CARES ACT by President Trump Administration provides for reimbursement wage for emergency first responder salaries. Bonnie submitted a payroll report for Chief Gieser March to October, 2020 to Scott. The second allocation November to December, 2020 mostly likely will not be reimbursed. The new CARES ACT for 2021 does not provide for first responders wage reimbursement. Fred suggested fifty percent of the \$29,385 set aside for volunteer wages when responding to fires. Additionally EMAC salaries are not adequate, therefore the district should supplement the EMAC wage scale. The other fifty percent should be set aside for needed items. Chief Gieser commented DNRC annual sign up packets are a paper work load. The paper trail is initiated by Assistant Chief Clapp, to Chief Gieser, to S&K Tribes Division of Fire, to Kalispell NW Land office, to Missoula SW Land office, to Helena State of Montana for processing. The EMAC is a wage operated rate. Firefighter II wage rate is \$14.41; firefighter I wage rate is \$15.10. In Chief Gieser's opinion, for the hard work, the wage is not adequate. The operated contract is with Polson Rural Fire, therefore PRF will be hiring the volunteers as seasonal firefighters. The payroll process will be coordinated with Davis & Brown CPAs and Bonnie. The EMAC project requires further discussion with the CARES ACT funds identified for the project. Trustee Clapp suggested PRF issue a voucher to purchase gear. **Trustee Robert motion to allocate half of the CARES ACT funds \$14,692.50 set aside in a separate budget line item for seasonal firefighter salaries. Trustee Clapp second.** Board comment: Trustee Wunderlich indicated currently the funds are not budgeted. Chair Nelson commented the proposal is preliminary and can be changed later. Public comment: None. **Motion passed unanimously by voice vote.**

UPDATE DNRC WILDLAND REVENUE RECEIVED JANUARY, 2021 {39:54} – Trustee Clapp reported a portion of the revenue has not been received. Bonnie indicated the revenue posted in January will appear on the January, 2021 Lake County Treasurer report. At this time the revenue deposits are in transit.

PUBLIC INPUT ON NON-AGENDA ITEMS {40:49} – Leanna Fillman questioned payment for the COVID-19 vaccination. Chair Nelson replied the cost of the vaccine is paid by Medicare.

February 10th, 2021 meeting is scheduled at Fairgrounds Station No. 1 commencing at 6:00 p.m.

Trustee Wunderlich commented the meeting is early in February, therefore there may be outstanding claims and county treasurer reports regarding revenue. Bonnie will review the time line noting the March meeting is also early in the month.

ANNOUNCEMENT {42:11} – Chair Nelson will be available on Zoom for the March meeting. Trustee Clapp will be available on Zoom for the February meeting.
